

MARGARET RIVER

Miss Chow's is a modern Asian dining experience, where premium local produce meets refined technique and a deep respect for tradition. Our menu - designed to be shared - celebrates bold, vibrant flavours, thoughtfully reimaged through a contemporary lens.

We are proud to be a 100% nut-free kitchen, and our dishes are crafted without MSG or artificial additives. While every care is taken, cross-contamination may occur in our deep-fried items and may not be suitable for coeliac guests.
